

## Crockham Hill C E Primary School

### End of Key Stage 2 results – Summer 2019

To be at the Expected standard the children require a scaled score of 100 – 109. The Higher Level standard needs a score of 110+.

The progress the children made is measured from their Key Stage 1 results and measured against the progress children in other schools made from the same Key Stage 1 results.

This year we are delighted to report that our attainment results are well above local and national results. We are in the top 1% of primary schools in the country.
