

Crockham Hill CE Primary School News

10/07/26

Dear Parents and Carers,

I can't believe there is only one week left of the school year – where has the time gone?

Despite the hot weather, it has been another busy and successful week at Crockham Hill. Our Key Stage 2 children have been working incredibly hard rehearsing for their production, and it was wonderful to see our Reception and Key Stage 1 pupils thoroughly enjoying the dress rehearsal on Wednesday. We are all looking forward to the performances next week

and I would like to thank the staff, children and parents for all their hard work and support in making the production possible.

We have another fun-packed week ahead, including our Open Afternoon for current parents on Tuesday 14th July from 2.30pm to 4.00pm. This is a wonderful opportunity for parents to visit classrooms, celebrate their child's work and speak with their child's teacher. We are looking forward to welcoming you into school.

The week also includes our visit to Chartwell on Wednesday and our annual Prize Giving at 5.00pm on Thursday. We look forward to celebrating the many achievements of our pupils and hope to see as many families there as possible.

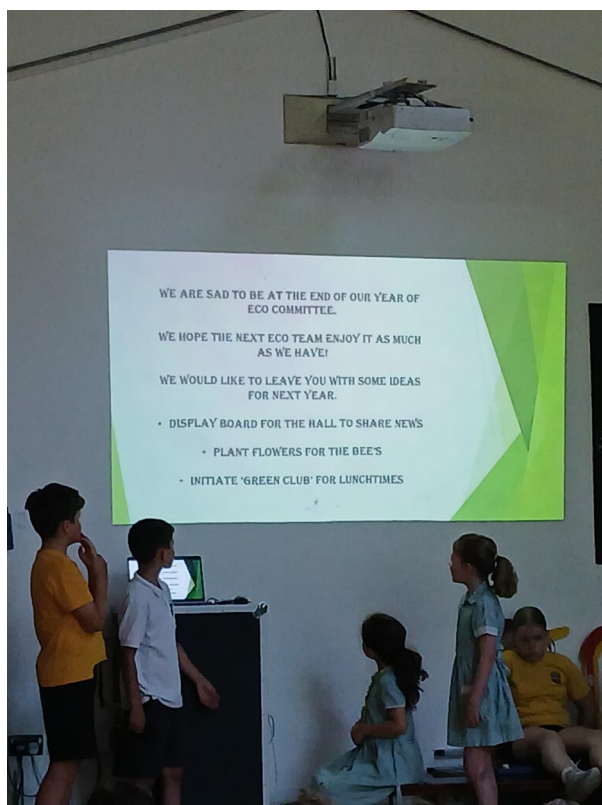

As we prepare for September, **we are also looking for some practical help with building and assembling a few new items for the school.** If you have some spare time and would be willing to lend a hand next week, please let the school office know – your support would be greatly appreciated.

Thank you, as always, for your continued support. Let's make the final week of the year a memorable one!

Mrs Higgs

School Highlights!

Thank you Eco Committee!

At the start of the week, our Eco Committee led a fantastic assembly, showcasing everything they have achieved throughout the year. From running the Gardening Club and introducing recycling in the lunch hall to creating reminder signs encouraging everyone to switch off lights when leaving a room, they have made a real difference to our school community.

The committee also shared their ideas for future environmental projects, inspiring everyone to continue looking after our school and the world around us.

Our Eco Committee members have been outstanding role models, leading important conversations about caring for the environment and taking pride in the spaces we share. A huge thank you goes to Mrs De Frond for her dedication and leadership throughout the year.

Well done, Eco Committee – you have been brilliant ambassadors for our school and should be incredibly proud of everything you have achieved!

Right to Dance

Conkers and Dandelions took part in an exciting workshop led by the Royal Ballet, which encouraged the children to express themselves through movement while exploring the importance of their rights. Through creative activities and dance, the session helped the children understand that they have the right to have their voices heard and the right to a happy, healthy life. Despite the very warm weather, the children remained enthusiastic and engaged throughout the workshop. They thoroughly enjoyed the opportunity to move, create, and work together, making it a memorable experience for everyone.

District Sports

On Wednesday, a group of KS2 children went to Tonbridge School for the annual District Sports event organised by Sevenoaks Partnership of schools.

'We came 2nd in the tunnel ball event. It was really fun!'

Beatrice (YR4)

'My favourite part was the running. Even though I came last I was still confident'

Annie (YR4)

'I came 2nd in the long distance event against the Year 5s and 6s. I was very tired and got way too hot!'

Walter (YR4)

Triathlon Day - Hever Castle

On Thursday, Year 5 spent a day at Hever Castle for their Triathlon Day.

'We did cycling, running and swimming. It was enjoyable and joyful. My favourite part was cycling because I just like riding bikes'

Noah

'Not only did we do cycling and running but we also had lots of other activities - we went on the water maze to refresh ourselves and also did archery in between. My favourite part was swimming because we got to have a really fun time in the lake'.

Alexandra

Making us proud!

We love celebrating what the children have been getting up to outside of school and would love to start including some of these success each week. Please do send over any pictures and information on what your little humans have been up to, to the school office - we would love to share this in school and with the wider school community!

Tennis Success!

On Wednesday, George and Jacob proudly represented Crockham Hill Tennis Club at the Matchpoint Tennis Tournament and were crowned champions. They demonstrated excellent teamwork, determination and sportsmanship throughout the competition and should be extremely proud of their achievement.

Congratulations to George and Jacob on their fantastic success!

Headlice

We have had various notifications of children being treated for headlice across the school. As of Monday, we are going to insist that both boys and girls have their hair tied back if it is short enough to do so. Not only will this break the cycle of these being passed around, it is also looks smart and keeps children cooler, especially when it is warm. If you suspect your child does have head lice please continue to treat this at home until they are clear. Many thanks for your support with this.

Reminders

ParentPay

Please take a moment to check your child's ParentPay account and ensure that any outstanding balances for school lunches, trips, clubs or other activities are cleared as soon as possible.

Thank you for your support.

Prize Giving Evening

Thursday 16th July – 5:00pm

This event is for the whole school community and is always a highlight of the year.

Children across the school will receive awards recognising their achievements, effort and contribution to school life. It is also a special opportunity for us to celebrate our Year 6 pupils and recognise their time at Crockham Hill as they prepare for the next stage of their education.

We look forward to welcoming families to this wonderful celebration.
